

Mayor's Proposal for San Bruno Heart Committee

San Bruno Heart Committee

Members:

- Two City Council Members
- Two Representatives from San Bruno Park School District
- Two Representatives from Capuchino High School
- Two Representatives from Business Community
- Two Members from the General Community

Purpose:

- Seek community input and perceptions of racial and social equity within the San Bruno.
- Build trust and strengthen partnerships among local community-based organizations, public agencies, neighborhood groups and religious organizations to explore and elevate successful models and best practices for racial and social equity.
- Develop and support the implementation of events to enhance the "San Bruno Stands United Against Hate Campaign".
- Submit recommendations for action to the San Bruno City Council designated to reduce or eliminate racial and social inequities and help the City of San Bruno better serve its diverse community.

Appointment of Members

- Council Members: Appointed by the Mayor, confirmed by the City Council
- Other Members: Appointed by the Mayor
