Please add to comments not on the agenda, for the 5/25/21 Council Meeting

Mayor Rico Medina, Vice Mayor Marty Medina, Council Members Michael Salazar, Linda Mason and Tom Hamilton

In November 2020 the funding was approved to complete the above projects at the Senior Center after numerous years of discussion and delays. The Senior Advisor Board was told that the latest delay was due to the pandemic and shortage of staffing. We were told many times since August of last year, that these projects would be completed prior to the Senior Center reopening. Plans are now progressing to hopefully open the Senior Center in the next few months and the projects have not been started much less completed. I am **IMPLORING** you to put this on your priority list and see that these projects are completed. The health and safety of the Seniors in our community should be given top priority.

Thank you for giving this your prompt attention.

Linda stabs supporters in the back.

While Linda ran for Mayor in 2020, she supported conversion to charter city, 9 CC seats, 2 year terms for everyone.

The 9 SB communities can elect a representative to a seat at the Conference Table. In retrospect she now supports something else?

Jeff Tong & I worked on this since Summer 2019.

Jeff & I talked Linda into running for Mayor. This is how she repays us???

2 year elections are term limitations.

Small districts are term limitations.

Frequent elections can reduce / eliminate recalls.

Last thing any Libbul Democrat wants to see is Democracy.

With 9 small districts, you could really get some Diversity = Perversity.

Republicans, Libertarians, Independents might get elected.

Disenfranchised minority communities would get an elected seat.

San Mateo County needs a Board of Supervisors increased to 15.

I have an ancient paper by Law Professor Clyde Summers: Democracy in a One Party State.

I will have to look for it again. Assn for Union Democracy sent it to me decades ago.

What goes around, comes around.

SSF rotating Mayor is a political football. Residents are always complaining: We cannot elect the Mayor.

Musical chairs allow CC members to run for higher office, keep their current seat same time.

This is how we got SSFUSD President Eddie Flores on the SSF CC.  
He must run for a CC District Seat in 2022. I doubt he will be elected.

Fight for representative government & self determination continues.  
I have fought these battles before.

I am so disappointed.

California needs another Voting Rights Act:

Reduce threshold from 15% to 5% for charter city conversion.

Raise General Law CC & Counties from 7 max to 9 max.

2 year terms for all elected positions.

5% for recalls & initiatives.

Linda could not get elected, now she wants to be appointed.

Have seen much of this on waterfront since 1978.
