Subject: Sale of El Crystal

To San Bruno City Council:

Thank you for continuing to pursue this project. Please do everything you can to find a way to make El Crystal part of our city. The possibilities are limitless and future generations will benefit from your work today.

Thank you

Subject: The purchase of El Crystal property

Hello Council and City Manager,

I highly encourage the city to purchase the El Crystal property. It would be a great addition to city park. The community would benefit from it tremendously. Please do everything you can to acquire this property. Thank you

Best Regards
Tim OBrien
